

Disability Policy

Camelon Juniors FC is committed to ensuring that its disabled and less-able supporters, staff and customers have as full access as is reasonably possible in all goods, services and facilities provided or offered to the public by the club. Camelon Juniors will ensure that there is no discrimination between disabled people with differing impairments and will make every effort to comply fully with its legal obligations as set out in the Equalities Act 2010.

Camelon Juniors FC will administer a full training programme to ensure that the Committee and staff are trained in the required legal provisions. Any complaint of discrimination by our staff or customers will be fully examined by the Committee at their first available meeting.

Our Committee are well aware that under the provision of the Act we have a responsibility to our disabled supporters and that any incidents will be treated as a serious matter.

Disabled Parking is available in the Car Park with the spaces close to the East Gate. Level access is available through that gate to level terracing on the South (canal) side of the ground. The disabled toilet and hospitality areas are also located in this area meaning disabled supporters can still fully enjoy this provision.

Anti-Discrimination Policy

The Camelon Juniors FC policy is not to discriminate or in any way treat anyone less favourably on grounds of sex, gender, ethnic origin, colour, nationality, religion or disability. This Policy will be applied to:

Seeking Committee Members; Seeking Volunteers; Team Selection; Player Employment; Promoting Football Development Coach Employment.

We will not tolerate sexist, racist, bigots or sectarian harassment or any other discriminatory behaviour, whether verbal or physical and will take appropriate action in whatever context it occurs. We take part in the various National Days of Action such as Show Racism the Red Card.

Camelon Juniors FC is determined to challenge and get rid of all forms of discrimination by developing a club policy that is totally sensitive and suitable to all.
